For more information please contact World YWCA : juli.dugdale@worldywca.org

The World YWCA is a global network of women and young women leading social and economic change in over 120 countries. It advocates for peace justice, human rights and care of the enviroment, and has been at the forefront of raising the status of women for over 150 years. The World YWCA develops women’s leadership to find local solutions to the global inequalities women face.
